

Scale - FSSG IN Scale

Description - FSSG IN Scale

Reference - Frequency scale for symptoms of gastroesophageal reflux disease (GERD). Adapted from Kusano et al 7 with permission from publication: Upper Gastrointestinal Symptoms Are More Frequent in Female than Male Young Healthy Japanese Volunteers as Evaluated by Questionnaire.https://www.researchgate.net/figure/Frequency-scale-for-symptoms-of-gastroesophageal-reflux-disease-GERD-Adapted-from_fig1_290211751

Questions

1. Question : Do you get heartburn?

Que Type : mcq with single select

1. Option : Never
2. Option : Occasionally
3. Option : Sometimes
4. Option : Often
5. Option : Always

2. Question : Does your stomach get bloated?

Que Type : mcq with single select

1. Option : Never
2. Option : Occasionally
3. Option : Sometimes
4. Option : Often
5. Option : Always

3. Question : Does your stomach ever feel heavy after meal?

Que Type : mcq with single select

1. Option : Never
2. Option : Occasionally
3. Option : Sometimes
4. Option : Often
5. Option : Always

4. Question : Do you sometimes subconsciously rub your chest with your hand?

Que Type : mcq with single select

1. Option : Never
2. Option : Occasionally
3. Option : Sometimes
4. Option : Often
5. Option : Always

5. Question : Do you ever feel sick after meals?

Que Type : mcq with single select

1. Option : Never
2. Option : Occasionally
3. Option : Sometimes
4. Option : Often
5. Option : Always

6. Question : Do you get heartburn after meals?

Que Type : mcq with single select

1. Option : Never
2. Option : Occasionally
3. Option : Sometimes
4. Option : Often
5. Option : Always

7. Question : Do you have an unusual (e.g. burning) sensation in your throat?

Que Type : mcq with single select

1. Option : Never
2. Option : Occasionally
3. Option : Sometimes
4. Option : Often
5. Option : Always

8. Question : Do you feel full while eating meals?

Que Type : mcq with single select

1. Option : Never
2. Option : Occasionally
3. Option : Sometimes
4. Option : Often
5. Option : Always

9. Question : Do some things get stuck when you swallow?

Que Type : mcq with single select

1. Option : Never
2. Option : Occasionally
3. Option : Sometimes
4. Option : Often
